

Hunting Equipment List

- **GOOD BOOTS:**

Most important item, lots of walking! They should be broken in, not a brand new pair of leather boots. You would be better off with comfortable pair of lightweight hiking boots. Merrells are a good example.

- **HUNTING PANTS:**

Comfortable. Heavy briar pants are not necessary

- **HUNTING SHIRTS:**

Comfortable, loose fitting, both lightweight and medium-weight

- **HUNTING VEST:**

Something to carry shells and a water bottle, orange is preferred

- **HUNTING CAP/HAT:**

Orange is preferred

- **HUNTING COAT:**

Anything that is weather and wind resistant

- **RAIN COAT:**

Good quality

- **SOCKS:**

Good quality walking socks

- **GUN:**

20 or 12 gauge - Your choice. Will shoot 7' s for sharptail & huns, and 6' s for pheasants

- **SOFT/HARD COOLER:**

To bring home your birds

- **OTHER ITEMS:**

Fleece vest, jacket or pullover

Capilene long johns

Shooting gloves
